March 20, 2023

Dear Football Parents,

I hope this letter finds you doing well and enjoying the spring season. On behalf of our coaching staff, I would like to invite you to a parent/player informational meeting on Monday May 8, 2023 at 6:15 PM. This is an opportunity for us to distribute all the information you will need for the summer and upcoming 2023 season. Our booster club will be in attendance providing an opportunity to pay fees, order spirit wear and answer any questions you may have.

At the conclusion of this meeting we will hold our 8th Annual Northwest Draft Night. This NFL style draft is used to place our players on six evenly divided teams that will compete against each other during our summer program. The first six rounds (36 players), will be drafted by designated team coaches. These athletes will have walk-up songs and highlight films. The following four rounds (24 players), will be picked by the four players taken in rounds 1-6. At the conclusion of round 10, all remaining players will be picked up in "free-agency".

Once again, we want all players in attendance to place them on a team, and hope that you will stay to watch!

We are continually working towards building a tradition of excellence within our football program at SMNW. A majority of our players have done an excellent job this off-season understanding that true success only happens through hard work and have carried that belief and work ethic into the weight room. There is still much to do, and it is my strong desire to have our parents be a part of the process. Like always, we are thankful for the opportunity to work with your son as we realize what an important time in his life it is. We look forward to seeing you on May 8th!

Sincerely,

Coach Bo Black
