Dear Football Parents,

I hope this letter finds you all doing well and enjoying the Spring season. On behalf of our coaching staff, I would like to invite you to a parent/player information meeting on Tuesday May 14, 2019 at 6:00 PM at SMNW. This is an opportunity for us to distribute all the information you will need for the Summer and upcoming 2019 season at one time. We will have forms available for summer weights, football camps, team camps, and booster club membership. (We will offer one night only discounts for all of these at the meeting.)

At the conclusion of this meeting we will hold our 4<sup>th</sup> Annual Northwest Draft Night. This NFL style draft is used to place our players on six evenly divided teams that will compete against each other during our Summer program. The first four rounds (24 players), will be drafted by designated team coaches. These athletes will have walk-up songs and highlight films. The following four rounds (24 players), will be picked by the four players taken in rounds 1-4. At the conclusion of round 8, all remaining players will be picked up in "free-agency". Once again, we need all players here to place them on a team and hope that you will stay to watch!

We are continually working towards restoring a tradition of excellence within our football program at SMNW. A majority of our players have done an excellent job this off-season understanding that true success only happens through hard work and have carried that belief and work ethic into the weight room. There is still much to do, and it is my strong desire to have our parents become a part of this process. Like always, we are thankful for the opportunity to work with your son as we realize what an important time in his life this is. We look forward to seeing you on May 14<sup>th</sup>!

Sincerely,

Coach Bo Black
